

Harvest Time!

Sing to the Tune of "Galway Girl" by Ed Sheeran

Chorus

We made a song up about harvest time,
The crops that grow in the warm sunshine,
The fruit and the veg that grow every day,
Oh baby I just want to say...

I went to Morrison's saw the fruit and the meat,
I wondered how we get so lucky and have so much to eat,
I looked around at the food, the spaghetti and rice,
And everything around me looked so tasty and nice,
I put chocolate in my basket, sweets in my cart,
There was so much choice I didn't really know where to start,
I'm grateful to God for all the things that I have.
So I'm singing this song to remember that.

Chorus

Harvest Time Na Na Na Na Na Na Na
Harvest Time

The farmers spend their days working out in the fields,
They grow the fruit and the veg that we need for our meals,
As Autumn arrives that's when they harvest the crops,
And they fill up the shelves of every shop.
So thank you for the work and the hours you put in,
Thanks for every packet, every can and tin,
Thanks for the food that we eat every day,
It's easy to forget so we need to say

Harvest Time!

Sing to the Tune of "Galway Girl" by Ed Sheeran

Chorus

Harvest time, Na na na na na na na
Harvest time Na na na na na na na
Harvest time Na na na na na na na
Harvest time

We want to remember that we're not alone
There are people who are desperate for food and homes
Countries which are filled with famine and drought
Where wars are fought and there's no way out
We live in a country where there's food to spare
We need to find a way that we can make this fair
Everyone deserves a future that's bright.
So we look to God to make this right
