Mega Project!

Find out about and teach the class about an event that occurred during Roman times.

1. Create a news report as if you were there.
2. Make a powerpoint full of pictures and information.
3. Make a timeline of the event.
4. Present information about what Britain was like during this time.
5. Compare Roman times to other periods in history.
6. Write a quiz for the class to test how much they have learned from you!
