

# Connect 4!

## 2, 3, 5 and 10 x table

You and your partner need a felt pen... make sure you choose two different colours! Take it in turns to write an answer in a box. Chose your squares wisely though, because the first person to get 4 answers in a straight line is the winner!

|                 |                 |                  |                  |                  |                  |                  |                  |
